

Practice Nurse
25-30 hours per week (Job share considered)
Salary – Competitive

Thornhills Medical Practice is seeking to recruit a motivated, committed and enthusiastic experienced Practice Nurse to work 25-30 hours per week starting as soon as possible. Job share considered.

The successful post holder(s) must have previous experience of working in primary care and proficiency in managing long term conditions. Diabetes and COPD is essential. Knowledge of other chronic disease management is also an advantage. In addition you will be required to undertake full treatment room duties, including immunisations, dressings, removal of sutures, cervical smear taking and anti-coagulation. Experience in additional areas including travel immunisations, family planning, and triage, are desirable.

We are a supportive, forward thinking GP training practice with a happy, reliable workforce providing care to approx. 14,300 patients. There is a strong emphasis on high quality patient care, education and personal development
